Now add up the number of A's you circled and write it down here:

A: _____

How many B's did you choose?

B: _____

And last but not least, How many C's did you pick?

C: _____

Which letter did you write the most of?

A, B or C? _____

If you have mostly A's, you are more like Ruby.

If you have mostly B's, you are more like Penelope.

If you have mostly C's, you are more like Claire.

If you didn't take the test, you are more like Tommy and Samuel.
